JAS certified producers must inform the certifier annually about
- 1) the quantities graded and sold as organic JAS products in general - and
- 2) the quantities of organic JAS products shipped to Japan. Such notifications must comprise the period of the Japanese accounting year (April 01 to March 31 of each year) and have to be sent to Kiwa BCS-Nuremberg until the end of May of each year(!). The notifications have to include - besides the product's name and quantity - the corresponding lot and container No, date of shipment as well as the name of the Japanese importers.

Thank you very much for your confidence and cooperation. We remain at your disposal for any further question that may arise.
